Esteemed Countess Esther de Pommery,

I would like to thank you for the generous humanitarian gesture you made to the town hospital of Isperih!

Please accept our deep respect and gratitude. Your contribution will improve the medical services in the region and will have a tangible effect in our community.

The donation arrived safely. Equipment appears to be in fine condition and it will be no doubt a great relief to both the medical staff and patients.

Many thanks for being such a friend to us!

BEYSIM BASRI

Mayor of the Municipality of Isperih
